Dear Chair DeLauro and Ranking Member Granger:

"I am requesting funding for the Pasquerilla Conference Center Renovation Project in fiscal year 2023.

The entity to receive funding for this project is the City of Johnstown, located at 401 Main Street, Johnstown, PA 15901. The Pasquerilla Conference Center Renovation project will repair roof leaks; install working HVAC systems and a new chiller plant; repair concrete and masonry; install new carpeting and flooring; and replace inadequate ceilings in the Frank J. Pasquerilla Conference Center to reopen this shuttered facility and provide significant economic benefits and diversification to the City of Johnstown and the surrounding area. This project is a good use of taxpayer funds.

I certify that neither I nor my immediate family has any financial interest in this project."

Sincerely,

John Joyce, M.D.

Member of Congress
